Participant Comments

This workshop was the best workshop I've ever taken. I made incredible new friends and the knowledge I received from the instructor gave me tools to use in my life.

-Mary Whitt, Triple Crown Casinos

I came to this workshop expecting a knowledge-based lecture series. I was not prepared for the huge impact the lectures and group activities would have on me. This is not just an intellectual experience...it has moved me and affected the very core of my being.

-Lee Cole, Jr., Denver Probate Court

I really appreciated how each component built upon the previous one and was truly amazed and excited by the work I did on the vision quest. I am leaving truly transformed and "committed" to showing my authentic self.

-Teresa Zimny, Napa County Health & Human Services

I have not had such an intimate, fulfilling, and rewarding gathering with a group of people in ages. This workshop helped me remember what is most important in my life and will be the foundation for me to go forward with faith to do what I really want to in life and as a leader.

-Donna Konz, Replidyne, Inc.

This was awesome! I came for the "within" piece and leave with that more intact.

-Josie Price, Christian Living Communities

The workshop was incredible. The experiential components made this workshop different from the rest. I will be able to remember! I'm extremely happy that I had the opportunity to experience it. Greg did an incredible job. I so appreciate his approach and passion.

-Shelly Spaulding, Community Reach Center

This should be required learning for every manager to become a leader.

-Elizabeth Tracy, San Miguel County Public Library District

Developing the vision statement process forced me to peel back the layers of myself to get to what really matters to me.

-Dianne Williams, National Multiple Sclerosis Society

This was a very powerful setting and group. Without doubt the most meaningful I have ever attended.

-Danny Staples, Coors Brewing Company

I will always look back and think about Leading From Within as a turning point in my life.

-Keith Duvall, Arrow Electronics, Inc.

I walked in 3 feet tall from years of being beat on. I left standing 10'2 feet!

-Kevin O'Herron, Triple Crown Casinos

It was a great three days that I will never forget!

-Tony Boll, Micro Motion

Greg, you shared with us that your mission was to make a difference in people's lives. You are most definitely succeeding in that with this program. My only regret is that the workshop wasn't longer.

Thanks again for an amazing experience that I'll never forget.

-Laurie Kelly, CoBank

I didn't expect the experience to include such personal reflection. The personal reflection and openness of the group changed the experience and made it more powerful. I learned more from my co-workers in 3-days than I have over the past year.

-Shelly Frost, V3

The setting at North Fork Ranch was spectacular. I can't think of any place more conducive to true authenticity.

-Charlie Pellegrino, Micro Motion

I had a fantastic experience at the Leading From Within workshop. The only regret was that I had to leave early. I truly feel my co-workers also came away with an empowering perspective. Your workshop has help pave the way to a better understanding of each other and ourselves.

-Deb Palmer, SPHR, Simmons Manufacturing Company - Denver

I have my vision, created in Leading from Within, where I see it every day. I recommend that workshop to folks whenever I get a chance. It had a major impact on my life.

-Sally Collier SPHR, Mountain States Employers Council, Inc.

This was the best leadership workshop I've ever attended. I saw leadership from a whole new perspective.

-Tamara Kirk, Colorado Springs Utilities

This workshop was well-paced and well-planned. A worthwhile use of three days.

-Edie Apke, SpectraLink Corporation

This workshop provided an incredible combination of self-learning and awareness building. It provided an environment for self-growth, nurturing and creativity. What a great bonding experiences! I loved it!

-Wendy Seese, Eagle County Government

An experience I will never forget and always return to.

-Don Desch, Golden Concrete Co.

I'd like to thank you again for the tremendous workshop. You'd be proud of the impact it has made on our lives already. It's amazing how much more everyone who attended the workshop is in tune with themselves and each other.

-Daniel Schmidt, JD Edwards

Over 15-Years of Leading From Within Testimonials

Truly a life experience! This workshop turned my world view 90%, and showed me a completely new aspect to my life.

-Mark Hamilton, SpectraLink Corporation

This workshop brought together a lifetime of leadership and life concepts into one working model and vision for me.

-Douglas Funk, CAMAS Colorado, Inc.

I wanted you to know that this seminar was one of the best I have ever attended and has truly made a positive impact on my life. I would highly recommend this seminar to anyone.

-Susie Chase, Geneva Pharmaceuticals

I feel that this was a very mind opening workshop for me to venture into myself and to create a vision to guide me into the future.

-Siew Hee Wong, JD Edwards (Japan)

I've learned more about myself in 3-days than I've learned in fifty years!

-Eric Chandler, Triple Crown Casinos

This workshop made me get in touch with a part of me that I have been trying to reach for a long time—thank you.”

-Linda Gall, Inovonics Corporation

Wow! I'm still loving life as an electrical instrumentation apprentice and volunteer firefighter. You guys have no idea how much your workshop has affected my life!

-Tina Gustafson, Coors Brewing Company

The Leading From Within workshop has changed my life!

-James Burds, Colorgraphics Inc.

This was very moving and insightful for me. I don't know if I would have looked within myself the way I did if I had not come here.

-Laura Kukac, MCI Telecommunications

The most powerful learning workshop I have ever attended. It opened doors in me I didn't know existed.

-Rodney Floyd, US West Communications

This was a very moving experience for me. The best leadership workshop held that I've attended.

-Linda Higgins, Community First Service Corp.

This experience was like a daily exercise. Day one was a shower. Day two was standing naked in front of a mirror. Day three was going to the closet to get dressed. The workshop helps you determine the best clothes to wear to go out and face the world.

-David Short, Coors Brewing Company

Over 15-Years of Leading From Within Testimonials

I had no idea how powerful this workshop would be for me personally. I am leaving now with a sense of true understanding and accomplishment.

-Linda Haley, City of Lakewood

Thanks, Greg! It's pretty hard to go back to work after such a powerful experience... but I'll be working hard to live my vision!

-Alex Coleman, Accenture

The program delivered practical concepts and challenging experiences to improve individual creativity and enhanced group strategies, not to mention the tools to develop a positive mental outlook.

-Rita Arzberger, Sun Power, Inc.

I wasn't sure there was anything else I could possibly learn from this seminar until I discovered my true self and realized that who I am at my core is okay. I now can truly leave the past in the past and embrace the future with open arms.

-Wanda Moreland, OMI

This will be one of my life changing experiences. Learning about what you need to change in yourself isn't an easy process but it was an eye opener.

-Melanie Baumbach, XPEDX

If only you could come home and maintain the level of tranquility and balance that is developed during those three days. But even after the glow wears off, it is amazing how my perspective is somewhat different than it was before. Thank you for the difference those three days made in my life.

-Jill McFarland, Western Nebraska Community College

The picture on the brochure brought all the emotions flooding back for me. It is hard to express the true significance of the program you have put together. It would probably sound "corny" to an outsider.

-Brian Hoza, Colorado Mountain College

I just wanted to let you know that I told my supervisor that I felt the workshop was a wonderful gift. Thank you so much for your patience and insightful instruction over the three days. It has made a difference in my life already and I know the work I need to continue to do.

-Annette Rauschenberger, PHR, City of Broomfield

Very personal and revealing. I had an opportunity to really see myself and get clarity.

-Michelle Dillard, Anheuser-Busch

Amazing! Everything is put in perspective internally. I can't believe I was able to leave outside issues out of my learning experience and focus on the important things. Thanks.

-Stacy Bejarano, E-470 Public Highway Authority

Over 15-Years of Leading From Within Testimonials

Very humbling yet powerful for the tools that were given to me to make the internal changes that I need to make to gain the confidence to be a true leader.

-Jon Humphreys, Mountain Steel & Supply

Excellent! I am aware or more aware of a number of things that I had not been in the past. Learned a number of helpful leadership skills. Very pleased with the facilitation.

-Bryan Soliz, Rio Algom Mining Corp.

Very helpful and profound. Motivated me to change for the first time. Thanks.

-Andy Troccoli, New Belgium Brewing Company

More than I ever imagined—a life-defining experience. I'm so thankful our team found this to be an impactful and valuable experience.

-Sherri Liebhauser, OMI/CH2M-Hill

It was like peeling an onion. Each layer removed brought me closer to my core, the soul of who we are and why we are here.

-Claire Bronstein, Datex-Ohmedia, Inc.

This was the safest learning environment in which I have ever been. You made it comfortable for me to participate.

-Ann Lindburg, City of Arvada

Absolutely incredible! Totally unexpected and critically welcomed. I feel more connected and stable in my life now than ever before.

-Adam Cohen, OMI

Amazing. I grew. Others grew. And I grew from seeing others grow.

-Kimberly Searforce, Mountain States Employers Council

The experience was a total transformation for me. I went from being timid and hoping people would not look at me to being confident, strong and accountable. I was able to look people in the eyes when I spoke to the group.

-Chris Cillian, E-470 Public Highway Authority

Helped me further on the road of steady change and focus on the things that are getting in the way.

-Jan Franzon, Sweden

It was an awesome experience for me. You created an environment where I felt open to talk and share with the group. I don't always do that. I enjoyed stretching and expanding my comfort zone even though it wasn't always easy or comfortable. I was amazed how many insights came to me over these three days.

-Suzanne Dysard, McData Corporation

Over 15-Years of Leading From Within Testimonials

Fulfilling and opened my eyes and heart to what I have been thinking for awhile. This helped me make it okay to move forward. My vision is clear and I will move forward with it.

-Najwa Jad, Arapahoe County

This workshop confirmed my core values; showed me my areas of weakness and allowed me to become closer to my co-workers.

-John Doty, V3

I have to say that this workshop is for everyone. I would recommend Greg to everyone. I want to do another one with my son!

-Richard Wenschlag, Triple Crown Casinos

I had an awesome experience here. I came away with many tools that will greatly impact my life and those around me in a positive way.

-Tim Hicks, Luzenac America
